## Application for Graduate Assistantship

The Department typically awards a limited number of graduate assistantships each academic year, contingent upon vacancies and budgets.

Please complete this form and return it with the necessary materials to the Department Graduate Secretary if you wish to be considered for an appointment as a graduate assistant for either Fall or Winter term. Note that most appointments are filled for the entire academic year beginning with the Fall term and very few assistantships remain beginning Winter term. The deadline for all graduate assistantships is February 1. Assistantships are generally awarded by April 15. In general, awards are made by April for the following academic year, although vacancies may occur throughout the year.
